- We are planning the next 5 meetings and then the CAR/CAT.
- The rotation is as follows: Chicagoland, Metro Detroit, Buckeye, Greater-Illinois, Michigan and the CAR/CAT in Indiana.
- We usually do 1 in the 4th quarter of this conference year but keep in mind the MZSS is in November so we might need to shift them, 3 the next year, and the CAR/CAT in January/early February of the next conference year.
- The idea is for each hosting region to bring some possible dates, some desired workshop ideas, and whether they would like us to help facilitate a PR event. This is also where we might consider scheduling an 'official online meeting.
